The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Travel First Class, in a *Saxon "Six"*

In order to travel in the greatest comfort you must have a "six"—all of the highest priced and best cars are sixes. You can buy a larger six than the Saxon "Six" but you cannot buy a better six. We do not expect you to believe this on the bare assertion but we can show you if you will only give us the opportunity.

There is no better motor than the Continental. When you get behind the wheel of this car you experience the sensation of having surplus power, you will gain a genuine affection for both the sound and feel of this motor. There is nothing like it in any other stock car. We believe this is the easiest riding motor car ever built, but we are willing to abide by your decision after you ride in it.

We already have many demonstrations booked ahead—make your appointment for a demonstration now. You owe it to yourself to know all about Saxon "Six" before buying any car. We can show you the greatest automobile value in America. It is a car with a record. There is no car within its price class that can equal it for speed, endurance or hill climbing qualities.

There is in use now over 30,000 Saxon cars. Five times as many Saxon cars were shipped last August than during the same month one year previous.

With this car you get the best service in Linn County.
